<b>SYNOPSIS</b>	<p>“Beneath The Flesh” is a collection of nightmares that will crawl under your skin and burrow it’s way into your mind.</p> <p>In “Id”, a man is tormented by love and a twisted creature in his apartment. In “The Basement”, two men confront each other in a damp, filthy basement. In “The Child”, a withered man nurtures a growing creature. In “The Insides”, a man believes something is growing inside him. Finally, in “Boxhead”, an old man is visited by a childhood friend that could be his darkest nightmare.</p> <p>The victim in each story is forced to confront a fear that is eating them from the inside out. Their choice? Deal with the fear or die with it.</p>
