SYNOPSIS	Naomi loves sex, but Mark hasn't touched her in such a long time that she is getting desperate! A visit from Angela, her best friend's sister, brings a double revelation: Naomi realizes she is sexually attracted to Angela... and that she has the incredible gift of reading people's erotic thoughts. She uses this ability to help her regain Mark's sexual favors. Angela wants to film the couple in action, but Mark refuses and Naomi uses her mind-reading talents to help her find a replacement actor with suitably erotic fantasies! While looking for such a man, they meet a woman who used to know Mark...and quickly rekindles his wildest desires. And Naomi has erotic visions of a man she has never seen before.
