## Synopsis

A four-month old fetus is discovered in the garbage of a humble apartment in Manila. Bong, one of the residents of the apartment, investigates the affair after the police ignore the incident. Searching for answers slowly falls by the wayside and the relationships between the tenants of the apartment propels the film.

"Baby Angelo is courageous... insightful... thanks to the unborn fetus found in the nearby dump area."

-Charlie Koon's Film Reviews

"Prostitutes, codependent abusive brothers, old men with secrets, and unhappy marriages.... Baby Angelo is chock full of good ideas".
