## Synopsis

From the Producer of "Ring," "The Grudge," and "Dark Water," comes this macabre tale of paranormal TV show hostesses who venture to an abandoned nursing home in the mountains. Ayane, Nanami and Mayuko are put to the test of ultimate fear when they challenge each other to enter the creepy hospital. Determined to defeat each other, the girls stubbornly remain in the chilling location no matter what happens... even after awakening a real ghost. Once the girls realize this isn't a normal haunted house, it's too late. They face a ghost who can consume their souls. Will the girls abandon their competitive nature and uncover the truth about this nursing home, or will they watch their souls be devoured?
