<b>SYNOPSIS</b>	Two stories involving Asian-Americans intersect in this feature from co-directors Quentin Lee and Justin Lin (Dir. Fast and Furious, Better Luck Tomorrow). Katherine (Jeanne Chin) is an unhappy young wife who is suffering from blackouts. During one episode she lost her phone and then began receiving suggestive calls from a lesbian. Katherine's husband Jim (Clint Jung) works with Phil (Radmar Jao) who believes that he may be a werewolf. Both Phil and Katherine are on a collision course with revelations about their true natures.
