Synopsis

A modern day adaptation of Denis Diderot's classic novel "Jacques the Fatalist" is a comedy about a chauffeur named Jacques, who drives his boss on a long drive. Bored with the trip, his boss compels Jacques to share stories about women. Jacques gladly recounts his sexual life, but he is constantly interrupted by strange people and events. The more they drive, the more the boss must know every detail of Jacques's sexual escapades. It becomes clear that knowing Jacques' life is the boss' destination.
