Synopsis

Myeong-jin and Jeong-wu are studying cello at the same conservatory. Myeong-jin is in awe of Jeong-wu's talent. Ji-eun, a piano student, is creating her own composition, "Magic." Jeong-wu offers to play it for her, but on the day of the performance, he collapses on stage, leaving Myeong-jin to complete the concert herself. While Ji-eun nurses Jeong-wu back to health, Myeong-jin offers to step in for Jeong-wu, but she refuses. After Jeong-wu passes away, Ji-eun seeks out Myeong-jin. She plays "Magic" one final time...
