SYNOPSIS:

A civil war is being waged for control of Pakistan. The Taliban already rule the tribal belt. Now, they're bringing their fight straight to President Musharraf, an American sympathizer. This is only one of many battles fought with what we know as "The Taliban", but do we know what "Taliban" means?

This is documentary about how a "Taliban" is born, trained and recruited. What type of person becomes a "Taliban", and why. In Pakistan, "Taliban" means "student". Like students anywhere else in the world, there are many... and they are ready to be taught a way of life until death.
