Synopsis

From the Producer of "Ring," "The Grudge," and "Dark Water," comes this dark tale of tragedy. Having lost her beloved father at an early age, Yuri lives with her mother and younger brother. Yuri's mother meets a new man, but they are deeply in debt and forced to leave their home. Yuri is then forced to take a job as a call girl to support her brother. One day, Yuri's brother dies in the bathtub. Her heart is engulfed with regret as she suffers with a pain that will never go away.

Some time later, Mayu, Yuri's colleague, tells her about a mysterious mobile app that is rumored to enable its user to talk to the dead. But, it comes with a warning: Never reply if the dead soul says, 'I want to see you.' Because she blames herself for her brother's death, Yuri downloads the app and reaches out to her dead brother. Meanwhile, the app's users begin to die.
