Synopsis

Massage Therapist Yuriko is an expert in the scent. Her work is so potent, she has clients waiting for her brand of aromatherapy. There is only one problem. Yuriko falls for the owner's sweaty 17 year old son, Takeshi. Yuriko becomes obsessed with the soccer playing youngster. Is she in lust, in love, or both?

Takeshi is confused about Yuriko's obsession for his B.O. But soon, he's reciprocating her affection by allowing her to sniff him, any part of him, whenever she pleases. Only the appearance of the beautiful Iris complicates an already naughty situation. Who will seduce who? Who will smells who? In this Japanese dark comedy, director Kota Yoshida will answer those questions.
